

## John A. McDougall School, Which is Now Being Erected

The new John A. McDougall school is to be erected on the Hudson Bay reserve this year will be a credit to the city, which has already a reputation all over the Dominion for handsome school buildings. Some idea of its size may be obtained when it is stated that it will cover a ground area of 1294 more feet than does the present high school. The plans were prepared by the board's building commissioner, Mr. Turner, and the contract has been let to Brown and Hargreaves, of Edmonton.

The building will be built of red pressed brick, picked out with stone from the Pembina quarries, and will accommodate 725 pupils. It will cost \$175,000, so that the accommodation will be far in advance of any of the existing schools.

The H. A. Gray school, to be erected in Norwood Extension, will be of very similar design, and no will the one to be located this year in Westmount.

All the large schools erected in the city up to the present have been of three stories, but the new design, as shown in the above cut, will be of two stories, thus further decreasing danger to life in case of fire. As a matter of fact, the danger from fire is infinitesimal, as although the building is not entirely fireproof, it is constructed that practically all danger is eliminated.

In the basement will be located a large play room 31 by 41 feet for the boys, and another of similar size for the girls. Everything that modern science and ingenuity can suggest has been incorporated in the design of these new schools, and the city may be proud of the advances that are being made in this respect.

## LACROSSE IS BOOMING ON THE COAST

Manager Gifford, of Champion Salmon Belles, Preparing for a Big Season.

New Westminster, April 4.—The champion Salmon Belles are preparing for a strenuous season. Manager Gifford is busy signing up all of the regulars available and it is reported that he has secured the signature of Buck Marshall, who played with Toronto in the big four last season. Marshall went east along with Dave Gibson last year, his return to the ranks of the Salmon Belles will be hailed with joy by all Westminster enthusiasts. It is also stated that Manager Gifford has signed up Tim Clark, Cliff Gordon, Spring, George Duesen, Hugh Gifford, Len Turnbull, J. Wintermout, Pat Finney and two of his year senior amateur players, Len Grey and Tim Patchell. Johnny Howard has not yet signed a contract.

## FINCH HENATHALON

WEDNESDAY, APRIL 30th, is the date which has been set by Physical Director Valentine for the final Henathalon meet, both junior and senior. This indoor athletic event has always proved one of the most interesting features of the season and there is certain to be a large crowd on hand. The Edmonton Y.M.C.A. has always done exceedingly well in the Henathalon and the local athletes have defeated those of such big cities as Toronto, Montreal, Winnipeg and Vancouver in open competition. Every preparation has been made during the past month to uphold Edmonton's preeminence in the Henathalon.

## LOCAL WESTLERS WILL HOLD BIG TOURNAMENT

An event of more than ordinary interest is being planned for a week from tonight at the Y.M.C.A. gymnasium, when it is proposed to hold a western tournament for the city championship. There are a number of good men in the city and the big wrestling meet should create a lot of interest.

## RECRUITS ARE POURING INTO BALL CAMP

Two Brothers All Way From Missouri to Get Try-out With Local Team.

THREE IN ALL REACHED CITY YESTERDAY

Outlook for Amateur Ball During Coming Summer is Bright.

Three new recruits to the Edmonton baseball team arrived in the city yesterday, and they continue to arrive in this fashion. Manager Whisman, when he returns to the city, will be confronted with the task of trying out a regular army of youngsters.

Two of yesterday's arrivals are brothers—M. and P. L. LaBee—from Okla. Minn. They made the long trip to Edmonton with the hope that they could sign with Manager Whisman of the local ball team, and are at present awaiting his return to the city. Both claim to be fairly good ball players but do a little diffidence in stating what position they play. They are accompanied by J. L. Hayes, of Detroit, Michigan, who is also awaiting a chance to try out before the local manager.

It makes no difference to the Edmonton club how fast the recruit troop in. "The more the merrier" is the slogan, and all will get a chance to show whether or not they possess the goods.

Clayton Worked Out.—The ideal weather of the past few days has set the baseball bug buzzing with a vengeance and Edmonton fans promise to be full to overflowing that week-end from now on. There was a good turnout yesterday afternoon. Among those present, if you please, was that winner of last year's Edmonton team, Pitcher Jack Clayton. During the cold winter months Jack vowed that the diamond would see him no more, but it begins to look as though the warm weather has set him bawling to return to the game, and it would be no surprise to see this starting pitcher sign up with the Edmonton team during the next few days.

Amateur baseball also promises to

## BIG LEAGUE BALL TEAMS COMING NORTH

New York Yankees Play Brooklyn Today in First Big Game of Season.

CUB REGULARS RETURN TO THE WINDY CITY

Philadelphia Americans Wop Spring Series From the Nationals.

By Bulletin Leased Wire.

New York, April 4.—In a three-hour war-pit this afternoon, the American team took the first of the year grounds for the first time since that field officially became their home. They will share the grounds this season with the Giants and the Cubs, the earliest opportunity, following their return last evening from the Bermuda training camp, to familiarize themselves with their new surroundings.

The local manager who has been charged with the task of the week at the team bore out the report from Bermuda that every player was in one condition. The initial work-out was in an excellent condition, in the first game of the season in Metropolitan stadium, the Yankees played the Cubs, second and third, with Walter, Cree and Demaria in the outfield.

"Sims" (J. Howell) looks like Chance's pitching ace for the game with "Long George" McConnell a possible fifth. Manager Demaria is expected to send Fowler to the slab.

**AC. THEOLOGOS WON INTERMEDIATE TITLE**

The Alberta College Theologos are intermediate basketball champions of the city. They won their title at the last night at the Y.M.C.A. gymnasium, defeating the Olympics 25 to 13, in the final game of the season.

The quality of basketball play by the two teams was just about the best at the season, and it was the provincial championship games. The South side of the game was a very close contest. They won the championship of both halves of the schedule and have played a most consistent game all winter. At halftime, the Kings held a very narrow lead of two points, the score standing 14 to 12. They increased this lead in the final period to 13 to 11.

The teams lined up as follows:—

**LAND BEING ALL TAKEN UP.**  
The homestead entries at the Edmonton Land office for the year ending March 31st closed at a considerable falling off as compared with those for 1911-12. This is due to the fact that the land around the city is well settled and newcomers are moving further north into the new cleared sections, where there is more choice.

The principal reason for the decline in the homestead entries is that the land office which has been opened at the Grand Trunk Hotel is receiving a large number of entries. Reports from these offices are the effect that the number of homestead entries are largely on the increase, the land being rapidly taken up.

The number of homestead entries at the Edmonton Land office for the past seven years is as follows: 1911-12, 1912-13, 1913-14, 1914-15, 1915-16, 1916-17, 1917-18, 1918-19, 1919-20, 1920-21, 1921-22, ## TORIES APPLY FOR INJUNCTION TO STOP VOTING

Attempt Being Made in Calgary to Bluff Some of the Electors

### LIBERAL CANDIDATES MEETING WITH SUCCESS

Dr. How Trying to Make Capital Out of Dead Issue Concerning University

Calgary, April 4.—The Tories of Calgary, feeling their positions somewhat insecure, have now started to try and pull off a big bluff. A writ of injunction was today served on J. D. Buchanan, the returning officer for Centre Calgary. The claim made is the one heard of before that the writ of election are dated a day wrong. It is understood that the petitioners have not the slightest intention of pressing the temporary injunction which they call for in the courts, and this is simply part of the game of bluff which they think will go down with the masses. In the meantime the Liberals continue hopefully in their work and are meeting with great success.

#### The University Bugaboo.

In South Calgary, which is known as a Tory hotbed, Clifford Jones, the candidate, this morning informed your correspondent that he was daily receiving messages from leading Conservatives, promising votes and support. He said that the outlook was more hopeful than ever before. Dr. How, the Tory candidate, has little of real interest to say to the people of the constituency, and spends the most of his time in stating that he wishes to keep the university question out of politics. This is only too amusing to those who are following the campaign, as there is not a single person making mention of the university question except Dr. How himself. The other two candidates are making great headway. George Ross, in North Calgary, commands quite a large following among the working-men, and looks like a winner.

#### Silenced the Howl.

The organized attempt which was made last evening to break up the Liberal meeting in Patel hall by a bunch of howlers, whose record R. H. Bennett knows so well, proved a great fiasco. The first speaker was the veteran, Rev. Dr. John McDougall. There were several interruptions, and at last the old pioneer simply said: "I have

addressed thousands of meetings in this week, and I have always been heard respectfully. That is the British way of fair play. I demand silence while I am speaking." The remainder of his speech was listened to in silence.

#### More Than Match for Them.

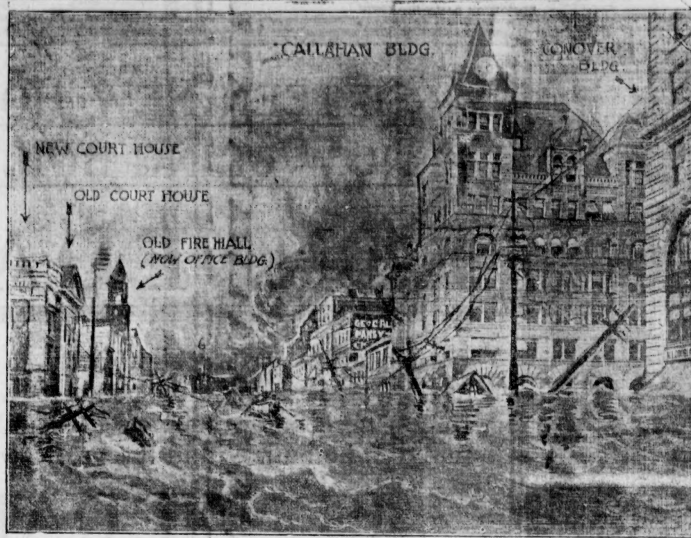

There were more interruptions during the other speeches, but Premier Sifton, who was constantly heckled, was more than a match for any of the questioners. The meeting was undoubtedly a great success, and the Liberal candidates made a fine impression on the people of Calgary. This afternoon a number of deputations will wait on the premier in regard to a number of administrative matters, but none of them are of any political complexion. The premier is standing the strenuous two weeks' work well, though he is suffering from a slight cold. His

spirited reply to the insinuations of Mr. Sifton's left wing is generally regarded with satisfaction.

#### Five Kegs of Gunpowder Exploded.

Winnipeg, April 4.—With a roar as the champagne flowed, five kegs of blasting powder exploded at the rear of the Ashdown Hardware company at 2:20 this afternoon. The other keg on one was killed. A number of barrels in the adjacent neighborhood made a bolt in terror and several vehicles were upset. The whole side of the building shows signs of the blast and the daylight over the shipping dock was shattered.

El Paso, Tex., April 3.—To satisfy all factions in the Mexican state, General Huerta has agreed to the naming of 22-day Lencinas directly from the national capital. Lencinas will serve the uncompleted term of the late President Madero.

## TO ACCEPT CARNEGIES OFFER OF \$65,000.00

Library Board Finally Has Come to a Decision—City Will Put Difference in Order to Erect Museum Building.

The temporary quarters of the public library on the North side, located in the Chisholm Block, at the corner of Fourth street and Jasper avenue, are proving popular. The new library has been open only a few days, but already very many people have become patrons. There are at present 4,000 books listed, and 2,000 more are expected in the city within a couple of weeks. In this connection, it might be stated that the library board has decided to accept Mr. Carnegie's offer of \$65,000. The city is to contribute the money further required to put up a \$200,000 library building.

How Six Feet at Columbus, Columbus, Ohio, April 4.—A down-pour of rain caused another flood stage in the Scioto here today, the river rising six feet and raining in a levee breaking on the west side. The waters were again raised over a portion of the territory flooded last week, but no further rise is expected. One additional body was recovered today, increasing the list of bodies registered to 55.

#### Find Gold at Silver Creek.

Vancouver, April 3.—First prospectors of the new gold field of Silver Creek, in northern British Columbia, have found gold at headrock paying 75 cents per pan, according to a despatch from the field today. It will take several months, however, to prove the gold fields, for on most of the claims water and ice now prevent the miners from reaching the rocks.

## C.N.R. TO REACH THE SUMMIT IN THREE WEEKS

Steel on Main Line Will Be Laid Into British Columbia By July

### WORK BEING RUSHED ON VARIOUS BRANCHES

Bridge Over McLeod River Will Be Completed Within Ten Days

Steel on the Canadian Northern main line through to the Pacific coast will reach the Summit, 250 miles west of Edmonton, in July, according to A. T. Fraser, district engineer, who returned yesterday morning after a visit to Tete Jaune Cache. The end of the steel on the C.N.R. is at the McLeod river where the big steel bridge is being erected. Steel laying has been suspended on this line for some weeks past during the construction of the bridge, which is now nearing completion and should be finished within the next ten days.

No Further Interruption. Immediately the bridge is ready the big track layer will be taken over and steel laying on the large amount of dump already put up on the western side of the river will be proceeded with. The graces have had sufficient heart to keep ahead of the steel laying gang, and it is expected that there will be no further interruption of the steel laying until the Athabasca river is reached.

#### 1,000 Men at Work.

Over a thousand men are at work on the main line between McLeod river and the Summit, 125 miles beyond, and work is being rushed with all speed possible. On the Peace River branch steel has been laid nearly to the Pembina river. A gravel spur is being put in at Conway and the finishing touches being given to the track so far laid. The track laying gang will be transferred to the main line as soon as the bridge over the McLeod is completed, and construction of the Peace River bridge over the Pembina commenced.

#### Work on Brazeau Branch.

A large amount of construction work is being done on the Brazeau branch. Steel is being laid up the Rocky Mountain House while the J. C. P. R. and C.N.R. bridge over the North Saskatchewan is being built, while grading on the line around the sixty miles between Rocky Mountain House and the Brazeau mines. During the past month over \$500,000

## ONTARIO LIBERALS SEND BEST WISHES

S. W. ROWELL, Liberal Leader in Ontario, who has conveyed to Hon. A. G. MacKay, best wishes of Ontario Liberals for success in election in Edmonton.

The campaign of the Hon. A. G. MacKay, K.C., in Edmonton is being watched with keen interest by his many friends and political followers in Eastern Canada. Mr. MacKay was five times returned for free county in the Ontario Legislature, each time by a large majority. Mr. MacKay came west for business reasons and his departure was a great loss to the Ontario Liberals, who, however, still wish him well and are looking for Mr. MacKay to be as successful here as he was in his old constituency back east. Mr. MacKay has received the following message:

Night Letterman, Toronto, April 4, '13

Hon. A. G. MacKay, Edmonton, Alta. The Liberal members of the Ontario Legislature and the representatives of the Liberal press of the province at their annual dinner in Toronto this evening, send to you their heartfelt good wishes for a splendid victory in Edmonton.

S. W. ROWELL. have been started on the Brazeau branch and at the present time the contractors are employing at least 1,000 men. This number is being increased at the rate of about 100 per week.

The Goose Lake extension is almost complete and a few miles of track only require to be laid.

Albany, N.Y., April 4.—Riots at the Columbia Rope company's plant were renewed today. The police fired one round above the heads of the strikers, which again attracted a large crowd, but strikers, two women and four men, wounded. Two will die, one is a woman.

## SUFFRAGETTES THREATEN WAR INVOLVING LIFE

Roused By Mrs. Pankhurst's Sentence, Militant Leaders Declare War to the Bitter End

### ANNIE KINNEY MAKES INDIGNANT APPEAL

Will Engage Women, She Asks, Sit Like Sheep With Mrs. Pankhurst in Prison?

London, April 3.—The sentence of three years penal servitude imposed on Mrs. Emmeline Pankhurst, the leader of the militant suffragettes, for inciting her followers to destroy property, has aroused the militants to fury and they threaten strong reprisals. When sentence was pronounced by the judge, Sir Charles Montague Lamb, in the Old Bailey yesterday, Mrs. Pankhurst, although her face blanched, showed an defiant attitude as ever, declaring that she would fight to the end.

One of the militant leaders, in announcing the intentions of the suffragettes, went so far as to say that even human life would no longer be respected. In London, Glasgow and other places throughout the country enthusiastic meetings were held tonight and every mention of Mrs. Pankhurst brought forth loud cheers.

#### Promote An Active Fight

Those who are to carry on the fight during the leader's incarceration, which nobody believes will be for long, breathed defiance to the government and promised the fight would be waged more furiously than ever. One of the leaders, whose name is suppressed, gave out the following statement:

"Human life is now in peril, for we have no longer to respect it and trouble of all sorts must be faced."

This statement did not cause surprise, for the women, who at first only set fire to unoccupied houses, have made attempts in the last few days against occupied residences. While the speakers at the public meetings did not go so far as the anonymous leader, they promised that the action would be very actively continued. They appealed to the women to show their indignation at the sentence by more definite deed. Threats of kind made by Miss Annie Kenney at London, found an echo at Glasgow, where Mrs. John, one of the most militant among the suffragettes, declared that the militant spirit would be "the merest pinprick to what would happen almost at once all over the country."

She declared that the women intended to do as "the coming reign of terror" and said that it was left for them on the outside to go on with the militant tactics.

Other women declared that what would do more than "stagger humanity."

#### Scotland Yard on Warpath

Scotland Yard, aroused by the threats of the women, has sent out warnings to owners and tenants of property of possible developments and the police everywhere are taking unusual precautions.

In closing a meeting held under the auspices of the Women's Social and Political Union tonight, Annie Kenney appealed to those who were indignant at the long sentence passed on Mrs. Pankhurst to come forward in the next 48 hours and show their indignation by some definite deed. "It is always the law-breakers who make things go," she added.

There were repeated cheers at every mention of Mrs. Pankhurst's name.

#### Is Only Fanning the Flames

Miss Kenney, who presided, wondered if the judge in sentencing her realized that instead of stopping the agitation to win the vote he was only fanning the flames. "Do they think," she asked, "that because Mrs. Pankhurst is in prison, the women are going to sit down like a flock of sheep until she comes out? Militancy will go on and it will become more furious than ever."

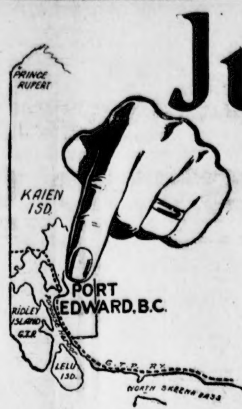

The speaker elaborated the government and said if Mrs. Pankhurst were sent to Holloway jail for what was called "inciting her followers to destroy property," Sir Edward Carson, F. H. Smith and other Unionists and Unionists ought to be sent to Pentonville, for they had not only incited their followers to utter to destroy property, but also life. Pentonville is the prison to which those guilty of the more serious crimes are sent.

Miss Kenney said that the government had scattered them when he declared that the actions of the women were becoming intolerable, for that is what they intended to make them. The women's Social and Political Union would send a message to the government unless their leader was released and the other suffrage prisoners let out of jail, the militants would go from bad to worse.

## Port Edward, B.C. Prince Rupert's Industrial Annex

You know Prince Rupert—the whole world knows Prince Rupert. This port, the Pacific terminus of the great Grand Trunk Pacific Railway, grew from nothing almost overnight and developed with wonderful rapidity because it HAD TO BE. One of the greatest railroads in the world had WILLED IT. Many who saw the opportunity made fortunes in Prince Rupert by investing there AT THE BEGINNING, before prices soared. It costs money to buy inside lots at Prince Rupert now. But you have practically the same splendid opportunity in Port Edward.

### PRINCE RUPERT NEEDS PORT EDWARD

Prince Rupert NEEDS Port Edward. Prince Rupert WITH PORT EDWARD offers the greatest facilities for the Pacific Coast shipping and industry of all the ports on the entire Coastline. But, without Port Edward, Prince Rupert's capacity is cut down from the industrial standpoint because its waterfront is already utilized, or leased, to practically its full extent, and, with development merely beginning, intending users of industrial waterfront space MUST turn to Port Edward to supply their needs. Definite proof of this will be supplied on application.

### INDUSTRIES ALREADY ASSURED

The Prince Rupert Hydro-Electric Company, Ltd., a powerful corporation, backed by the same capitalists who are behind the Western Canada Power Company, of Vancouver, has selected Port Edward for the site of its big power plant, and is already installing. Other large industries are assured, and among recent applications for locations were those of a cold storage plant, a large stone company and a shoe factory. The opening for industry at this great portal of the North Pacific is marvellous, and far-sighted manufacturers are already taking advantage of it.

### THE MEN BEHIND PORT EDWARD

The Port Edward Townsite Company, Ltd., is made up of a number of prominent professional and business men, largely Canadians. It has the support of the Grand Trunk Pacific Railway Company, which has entered into a contract to provide complete transportation service. Port Edward is situated near Prince Rupert, on the Mainland and on the main line of the G. T. P. That railroad has already selected the site for its station, sidings, etc.

### WHAT \$600 DID IN PRINCE RUPERT

When Prince Rupert lots were first offered to the public there was considerable of a feeling of doubt among many people as to the value of the investment. History has shown, of course, that few opportunities have been offered to the world that equalled the opening in Prince Rupert in 1909. Prince Rupert's future was assured from the very beginning. It was at the original sale that Mr. George Duncan, of Vancouver, bought a Prince Rupert lot for \$600. That was considered a good price then, but values began to rise, and they kept on rising. Now NOTE THIS. The same lot for which Mr. Duncan paid \$600 was sold in 1912 by Harrison, Gamble & Co., of Prince Rupert, for no less than \$10,000 CASH.

It's worth more than that today, and it will be worth more next year. Port Edward's proposition to you now is similar to what Prince Rupert offered in 1909. Perhaps you missed the first one; isn't it worth while to at least GET ALL THE FACTS about the second?
